# Recipe Guide

## ***Follow these steps for the inside & outside recipes.***

Step 1: Cut up your onion, celery, bell peppers, fresh lemon, and fresh lime.

Step 2: Then you're going outside to put the pot on the burner, but **do not turn on the propane tank.**

**This is very important because we don't want to burn a hole in the pot.**

Step 3: Add your orange juice and lemon juice.

Step 4: Then turn on your propane tank.

Step 5: Add the Tonys, and Old Bays seasonings

Step 6: Add the chili powder, onion powder, garlic powder, lemon pepper and paprika.

Step 7: Add the minced garlic and 4 sticks of unsalted butter.

Step 8: Add the fresh cut lemon & lime and all three packs of the Louisiana boosters. **(Not for the inside recipe.)**

Step 9: **Optional** add your potatoes, sausages, & corn.

Step 10: Bring the pot to a rolling boil for at-least 30 minutes max before then remove the potatoes, sausages, & corn and place them in a tub or big bowl.

Step 11: Start to purge the crawfish to remove the dirt and sticks.

## ***Now Your Seasonings are Added.***

Step 12: After the pot gets back to a rolling boil add your crawfish and let it cook for at- least three minutes.

Step 13: After 3 minutes turn off the heat. Let the crawfish sit and soak up all the flavor.

**The longer you let your crawfish sit the more spicy it's going to be.  
I let mine sit for 25 minutes max.**

Now enjoy your "Platinum, smell it in your home"  
Louisiana style shrimp boil.

**Thank You!**
